Communication from the Chapter Secretary

Good Afternoon UASU Members,

I hope this finds you well.

As part of the Chapter's effort to ensure continuous and efficient communication with our members, we initiated a migration in our website from a .org domain to a .or.ke domain. The new site will be www.uasunairobi.or.ke, migrating from the current www.uasunairobi.org. In doing this, the website is more target oriented, and its virtual presence is located in a more niche capacity. In this new portal, we shall create e-cards for ALL our members and design specific emails for everyone. In this way, you will be able to interact more easily within the Chapter and allow virtual meetings with our members during our AGMs. This migration will continue for the next couple of months as the re-direction to the new site takes effect.

We remain your labour champions as we keep forging ahead.

Regards,

Dr Maloba Wekesa
